Introduction

The Czech Aviation Training Centre /CATC/ has more than 80 years of experience in providing training services. It is based at Václav Havel Airport Prague and offers a wide range of professional pilot training, including wet and dry lease training services for A320, A330, B737 CL/NG, ATR 42/72, cabin crew training, maintenance training, IATA courses, dangerous goods training, aviation, and technical English courses.

CATC is recognized by key national and international authorities including the International Civil Aviation Organization /ICAO/ and the International Air Transport Association /IATA/ and holds several certificates that are renewed and updated in accordance with applicable aviation industry regulations and quality standards.

For more information on certificates, please visit: https://www.catc.cz/en/certificates/

CATC is in the airport security area. To enter CATC, you must present your passport at Gate 1, and you will be issued a visitor ID card/badge. If you arrive by car, you will also obtain a vehicle entry permit card, which must be always displayed on the dashboard when parking at CATC. Free parking is available in front of our building.
